June 25, 2018
FOR IMMEDIATE RELEASE

Palo Colorado Road Roadway Repairs

Palo Colorado Road will be officially closed at milepost 3.0 to all vehicular traffic starting Tuesday, June 26th at 7:00 a.m. The road closure will remain in effect through the duration of the construction of the project, which is expected to reach completion at the end of October 2018.

Residents impacted by the road closure will be able to access their properties through use of a temporary, residents-only pedestrian/all-terrain vehicle path. The path will open June 26 at 7:00 a.m. **NO auto/truck access will be allowed on the temporary path.**

Residents are encouraged to stage their vehicles at designated areas of the construction site this evening. As a safety precaution, residents are asked to park in a manner that would allow emergency fire apparatus access in case of an emergency. Residents are asked to follow fire prevention measures such as not parking on tall grass.

Weekly updates on the progress of the Palo Colorado Project will be posted to the following County website during construction:

<http://www.co.monterey.ca.us/government/departments-i-z/resource-management-agency-rma-public-works-facilities/current-major-projects/palo-colorado-road-repair-projects>

The County has designated two points of contact for this project to receive questions and coordinate with agencies to provide a collective response:

Christine Poe, Management Analyst II email: poec@co.monterey.ca.us
Karina Bokanovich, Management Analyst I email: bokanovichkt@co.monterey.ca.us
